Rev. 6 covers an unidentified period of time which includes the Great Tribulation period but which may or may not include the period of Time of Sorrows. Rev. 13 & 14 also address specific details concerning events and movements which will transpire during the reign of antichrist (1st Beast of Rev. 13) and his false prophet (2nd Beast of Rev. 13).

Rev. 15,16

During the tribulation period, difficult days increase. As it becomes more and more clear that the man of diplomacy is indeed the man of lawlessness—in part, due to his requiring the world to yield to his program, which will include the mandate to syncretize all religious ideologies into one system whereby (they say) global peace can be secured—God's people will speak out, exposing the antichrist for who he really is. This will bring on an all-out war against the saints, including a period of great tribulation. But God delivers, eventually setting up His eternal kingdom!
